28 July 1983

MEMORANDUM FOR: Deputy Director for Administration
FROM: William F. Donnelly
Director of Communications
SUBJECT: Weekly Report

25X1

2. The 22 July briefing of Mr. Doug Olin, the new OMB CIA Examiner lasted the entire morning and seemed to go very well. That assessment is borne out by some of the comments made by Mr. Olin during his visit [] earlier this week. That stop too seems to have been beneficial.

25X1

3. During the three-day period from 22-24 July, a seemingly disturbed person placed approximately 481 calls to the Agency unclassified switchboard. Follow up action is being taken in conjunction with the Office of Security and C&P security officials.
